

FC2 Promotional Messages

FC2 can be an exciting and sexually satisfying alternative for couples.
Below is a list of promotional messages that you can discuss with clients.

- * FC2 can increase a woman's sense of empowerment as she is taking the initiative to protect herself and her partner.
- * Warms to body temperature so feels more natural than a male condom.
- * External ring rubs against the clitoris and increases pleasure for many women.
- * FC2 does not need to be removed immediately after ejaculation as the man does not need to be erect.
- * FC2 can be inserted ahead of time so it doesn't interrupt spontaneity.
- * Insertion of FC2 can be incorporated into foreplay.
- * FC2 is a great choice for people with sensitivities to latex.
- * FC2 can be used with water or oil-based lubricants.
- * Male condoms can still be used, but the use of FC2 provides an additional choice for those times when a couple does not want to use the male condom (NOTE: Clients should never use a male condom and FC2 at the same time).
- * Emphasize the benefits of FC2 to the male partner:
 - Not constricting for penis.
 - Does not interrupt spontaneity.
 - The inner ring of FC2 can stimulate the tip of the penis during intercourse.
 - Men do not have to have/ maintain an erection to use FC2.
 - The man does not have to worry about wearing a condom.
- * FC2 provides effective dual protection, reducing the worry during sex about pregnancy and STIs/HIV.

Remember- FC2 use becomes easier with practice. Clients can practice inserting alone before using with a partner, or practice inserting with a partner.
